Dear Mr. Bazemor,

I believe the A1 schedules on the internet are not in the mountain time zone. We do air Shepherd's Chapel in the early morning hours. I believe the network repeats the early morning movies later in the day.

Thank you for taking the time to email America One and KKJB.

I was just curious as to the schedules available through the internet and the actual shows that appear on the channel. According to your schedule, movies are suppose to run on the 6 a.m. to 8 a.m. (4 a.m. to 6 a.m. in this area) timeslot. However, each time I record a motion picture, I end up with two hours of Shepherd's Chapel, if I remember the name correctly. Do movies actually run during the early morning hours, or is the schedule on the internet

incorrect? The channel here is KKJB, Channel 39. Thank you.

Sir:

I live in Boise, Idaho and watch your channel #39, KKJB regularly. The scheduled program on Mondays is "MotorWorld." The past two weeks it has been preempted by an Infomercial. I contacted AmericaOne to ask about this program, and they informed me that MotorWorld was still being broadcast at the usual time but that it was preempted "locally."

My question to you is, how long will this preemption last, and will you place MotorWorld in a different time slot if you

continue to broadcast the infomercial.

Thank you in advance for you consideration.

RE: KKJB Television Boise, Idaho

Sirs:

Why please is the evening movie, which used to play at 11:00 p.m. weeknights no longer provided? I have DirecTV and have enjoyed watching the KKJB movies for some time now but all of a sudden the movies seem to have been dropped from program schedule.

Thank You

Michael
